

Dear Parents of Religious Education Students;

We will be having Religious Education this year. At this point we will be opening registration for the fall semester beginning August 3, 2020, with our **first class to be held on September 16, 2020 at 6:30 pm. Registration forms will be on the table in the back of the church. You may also obtain a registration form on our Facebook page, fill it out and mail it in or drop it by at you convince.**

We realize this has been a challenging spring and summer with the onset of the viral infection. We also understand the need for additional methods with which to cope with these challenges. We will begin this year with the student's safety as a priority. Safety precautions include but are not limited to: temperature screening, social distancing, sanitizing, extra cleaning, and safety measures in place based on guidelines established by local health authorities, the Archdiocese and our local school system. Because information is still in the state of flux, a specific protocol is still being developed and all families will be better informed as we get closer to our first class.

Regarding our curriculum, with the adoption of our new textbook series, there is the option for remote learning. With the remote learning option, we will still need for families to register for the program in the regular way so we can make this available.

Thank you for your patience and support during this challenging time. If you have any questions or concerns, please call me and I will do my best, with the information available, to answer your concerns.

May the Holy Spirit protect you and your families during this time of trial.

God bless,

Deacon Paul
